FUND DESCRIPTION

Guardian Acuity Equity Fund is a growth fund which invests in a diversified portfolio of listed equity securities with the objective of achieving medium to long term capital appreciation. The fund selects equity counters based on a bottom up selection process with a bias towards companies that promise strong growth potential under the prevailing economic conditions.

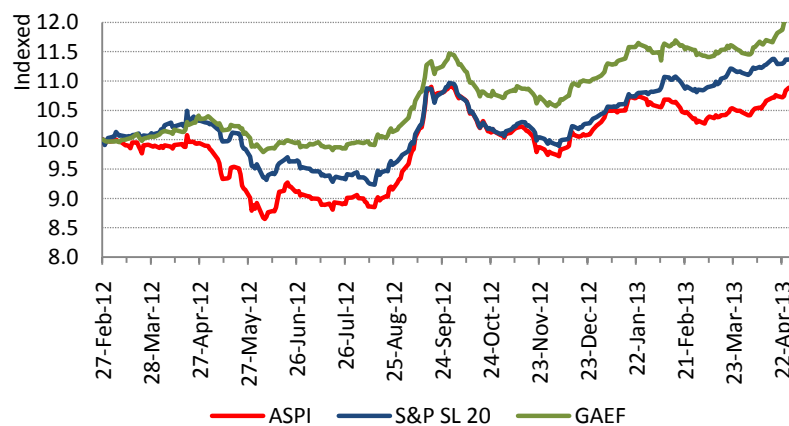

FUND MANAGER COMMENTS

The fund outperformed the ASPI by 2.13% to give unit holders a return of 5.92% for the month April. The month saw considerable activity from retail investors as a result of declining interest rates and movements in particular mid cap stocks.
